Mr. Glenn Erwin

Dear Mr. Erwin:

On behalf of the National Oil Spill Commission, I want to express my concern for your health following your difficult trip from Houston. We appreciate your willingness to present testimony before the Commission, and I was very sorry to learn that you were not able to appear.

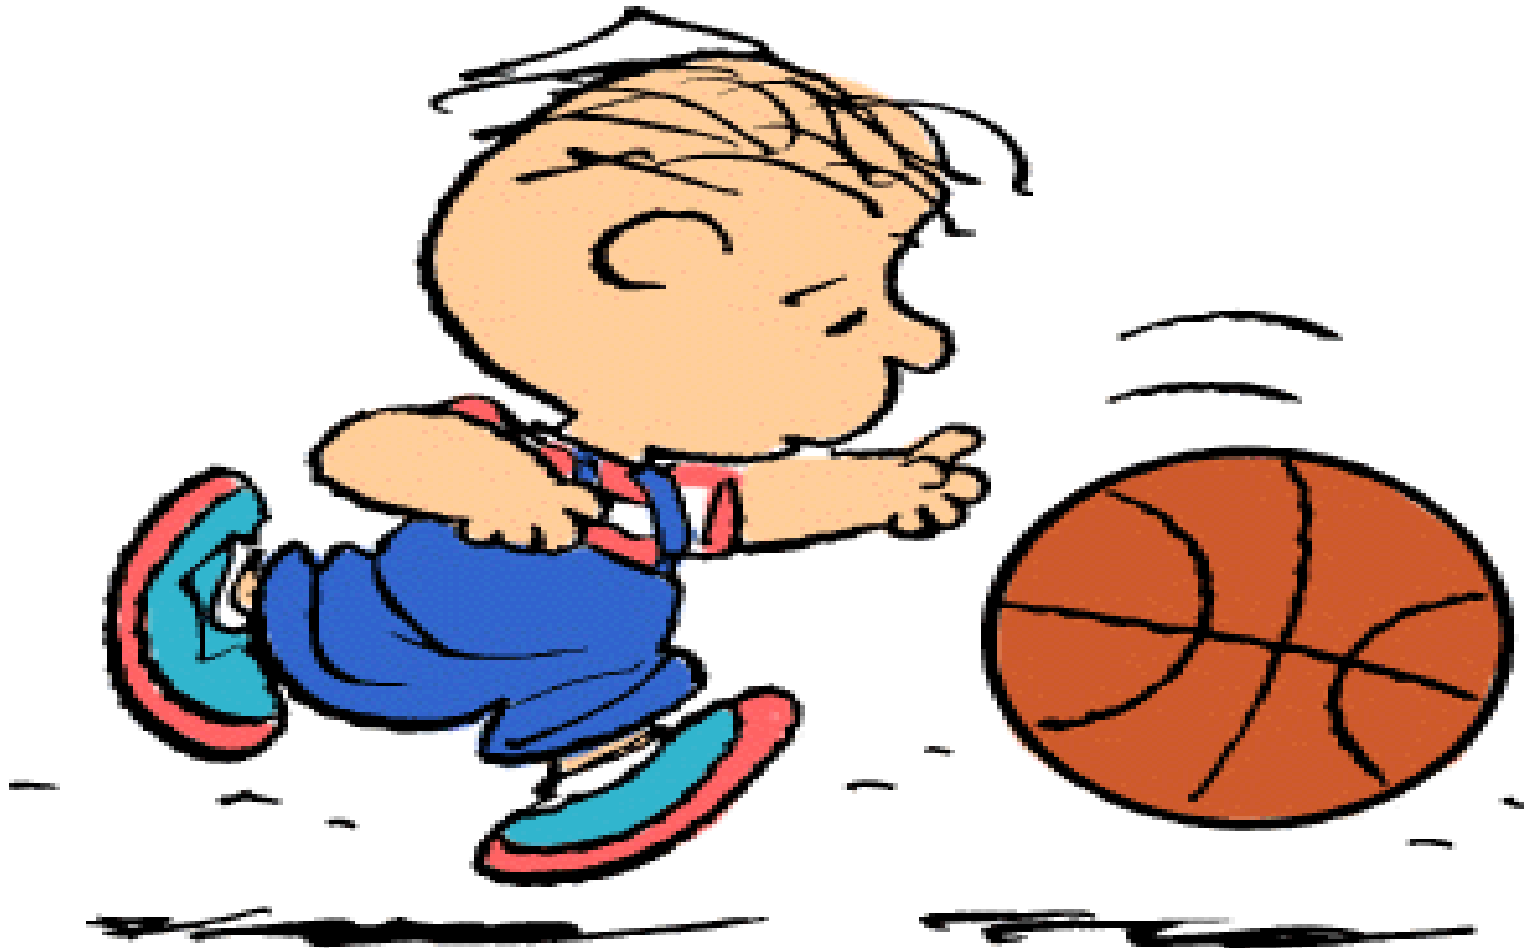

We look forward to hearing from you when your health permits, and in the meantime, the Commissioners and I wish you all the best for a speedy recovery.

Regards,

Richard Lazarus  
Executive Director
