CPRS for Christians

The background of the slide is a photograph of ancient stone ruins, likely a Roman or Greek temple complex. The scene is filled with various architectural elements: tall, fluted columns, some standing and others in ruins, and walls made of large, roughly-hewn stones. The ground is paved with irregular stone tiles. The lighting suggests a bright, sunny day, with shadows cast across the ruins. A semi-transparent white rectangular box is overlaid on the top half of the image, containing the title and a list of items.
