**Jesus defeats
the armies
the false
prophet
the beast**

**Revelation
19:11**

Heroes come in all shapes and sizes

Soldiers have been our nation's heroes

Number of Soldiers who have sacrificed for our country

| | |
|----------------|------------------|
| Wounded | 1,529,230 |
| Died | 1,343,812 |
| Missing | 38,159 |

What all heroes do:

Fight for our freedom

protect and save us from our enemies

provide for us

execute judgment on behalf of us

God wants me to be a hero to someone
