

**God's Plan for Sexual Behavior
Leviticus 18:1-30**

GOD'S DIVINE ORDER OF EXISTENCE (18:1-5; 24-30)

God designed sexual relationships for a specific purpose. He also defined the boundaries to His divine order of existence:

God designed us to be identified in the following ways:

Creation

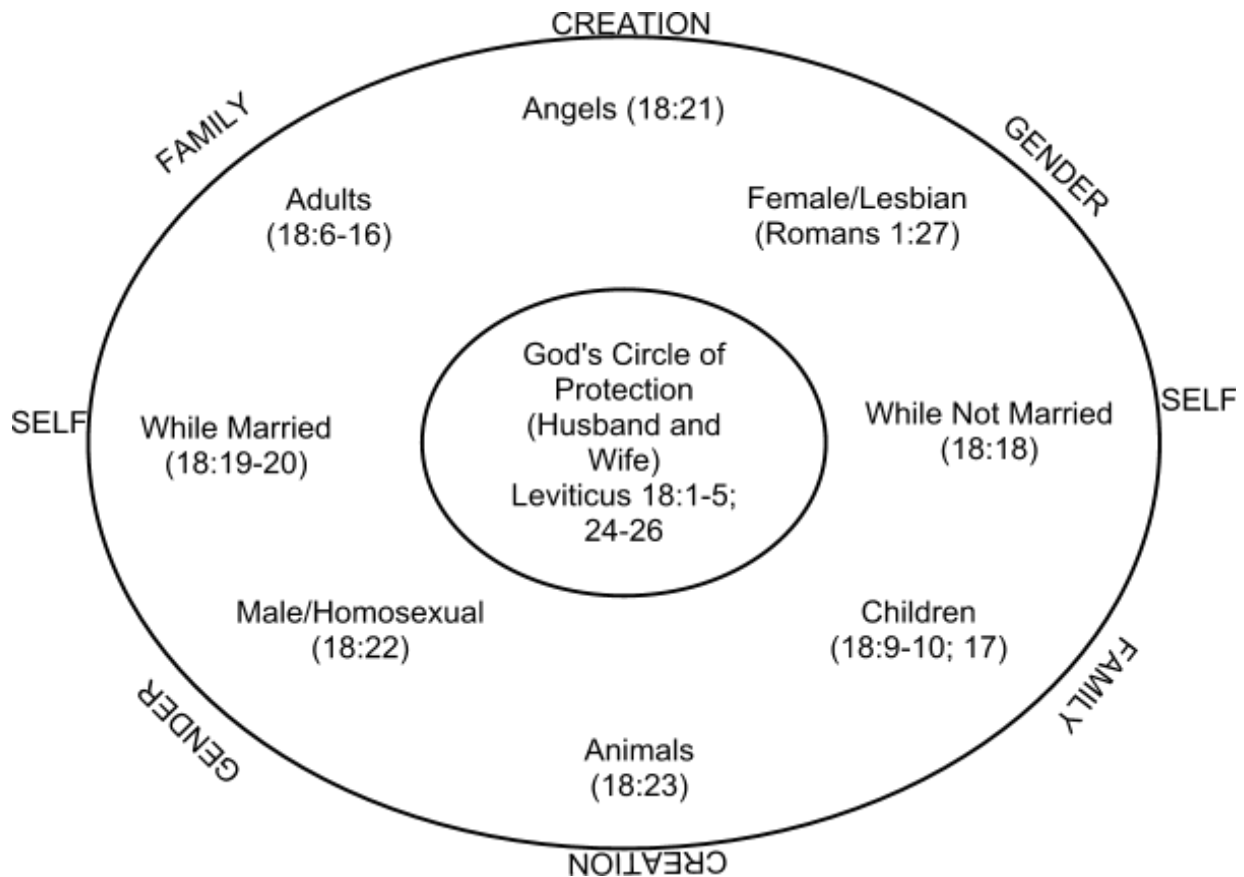

Gender

Family

Self (in relationship to one's marriage) (Mark 10:6-9; 1 Corinthians 5:1; 6:7-9)

Society will try to redefine these boundaries. However, we must stay true to who God has designed for us.

SPHERE OF SEXUAL BOUNDARIES

The Inner Circle is God's "Circle of Protection." He designed us to be married as husband and wife. The Outer Circle is the sphere of influence from society. Society will promote its practices and we must not participate.
