How Do I Forgive Them?
Matthew 6:9-15

1. **Acknowledge that you have been seriously hurt.**

2. **Give up your right to get even.**

When choosing to forgive:
We are leaving the ultimate justice and vengeance to God
We are deliberately choosing the path of forgiveness

The power to choose this path comes from a supernatural source.

3. **Look for the real person behind the evil mask**

4. **Desire that good things would happen to your wrongdoer.**

5. **If possible, re-establish the relationship**

Final Lesson: How do I know when I have forgiven them?

When you think about the incident and it no longer invokes an ugly emotion, you have forgiven them.
